Management's Report

Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of Micmacs of Gesgapegiag Band are the responsibility of management and have been approved by the Council Members.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgments of management.

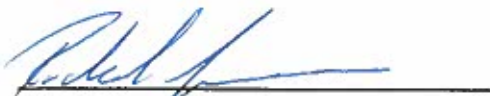

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Raymond Chabot Grant Thornton LLP, conduct an independent audit, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Micmacs of Gesgapegiag Band and meet when required.

On behalf of Micmacs of Gesgapegiag Band:

Roderick Larocque
Chief

Frederic Vicaire
Director General

Independent Auditor's Report

To the Directors of
Micmacs of Gesgapegiag Band

Qualified opinion

We have audited the consolidated financial statements of Micmacs of Gesgapegiag Band (hereafter "the Organization"), which comprise the consolidated statement of financial position as at March 31, 2019, and the consolidated statements of operations, accumulated surplus, changes in net debt, cash flows, operations and accumulated surplus (deficit) by program and schedule of salaries, honoraria, travel expenses and other remuneration for the year then ended, and notes to consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matters described in the "Basis for qualified opinion" section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2019, and the results of its operations, the change in its net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for qualified opinion

The Organization presents a \$4,864,895 deferred contribution related to tangible capital assets in liabilities that should have been recognized as revenues upon the acquisition of the related tangible capital asset, which constitutes a departure from Canadian public sector accounting standards. This situation also caused us to express a qualified opinion on the financial statements for the year ended March 31, 2018. If the deferred contributions related to tangible capital assets had been presented in revenues upon the acquisition of the related tangible capital asset, revenues and excess of revenues over expenses would have been increased by \$532,417 in 2019 and \$400,454 in 2018, accumulated surplus would have increased by \$4,864,895 in 2019 and \$4,332,478 in 2018 and liabilities would have been reduced by the same amount.

Also, Micmacs of Gesgapegiag Band interest in Mi'gmawei Mawiomi Resources L.P., a limited partnership accounted at cost, is carried at \$100 on the statement of financial position as at March 31, 2019 and 2018, and Micmacs of Gesgapegiag Band share of Mi'gmawei Mawiomi Resources L.P.'s net income is not included in Micmacs of Gesgapegiag Band's income for the years ended March 31, 2019 and 2018 in accordance with the modified equity method, as required by Canadian public sector accounting standards. Our opinion on the financial statements for the year ended March 31, 2018 was qualified accordingly because of the possible effects of this departure.

Finally, the Organization accounts for operations related to housing units – Article 95 in accordance with the requirements of the Canadian Mortgage Housing Corporation (C.M.H.C.), as described in the accounting policy "Tangible capital asset" in Note 2. This departure from Canadian public sector accounting standards mainly relates to tangible capital assets amortization, the recognition of C.M.H.C. capital contribution and the accounting of reserved funds.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the consolidated financial statements" section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Micmacs of Gesgapegiag Band

Notes to Consolidated Financial Statements

March 31, 2019

1 - GOVERNING STATUTES

The Organization is governed by the council of the Mi'gmaq of Gesgapegiag. It is a not-for-profit Organization under the Income Tax Act.

2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

Management is responsible for the preparation of the Organization's consolidated financial statements which have been prepared in accordance with Canadian public sector accounting standards in the *CPA Canada Public Sector Accounting Handbook*.

Interests in joint arrangement and limited partnership

The Organization has interests in a jointly controlled enterprise and in a limited partnership. It has elected to recognize interests in the joint arrangement and the limited partnership (which constitutes a government business partnership) at cost.

Impairment of interests in joint arrangement and limited partnership

In the case of interests, the Organization assesses, at each year-end date, whether there are any indications of impairment. When there is an indication of impairment, and if the Organization determines that during the year there was significant adverse change in the expected timing or amount of future cash flows from an interest, then it recognizes a reduction as an impairment loss in operations. The reversal of a previously recognized impairment loss on an interest is recognized in operations in the year the reversal occurs.

Principles of consolidation

The consolidated financial statements include the accounts of the Organization and those of Micmacs Housing Corporation, Gesgapegiag Human Resource Development Commission and Gesgapegiag Natural Resources Inc. and its subsidiaries 9252-9106 Québec Inc., 9309-0942 Québec Inc., 9272-4152 Québec Inc., Gesgapegiag Business Corporation Inc. and Gesgapegiag Wealth Management Inc. which are wholly owned.

The consolidated financial statements also include investments in government businesses in which the Organization exercises joint control, that is, a 33% interest in Mi'gmawei Mawiomi Business Corporation and a 33% interest in Mi'gmawei Mawiomi Resources L. P., and which are accounted at cost.

Inter-organizational balances and transactions are eliminated upon consolidation, but in order to present the results of operations for each specific departments, transactions amongst departments have not necessarily been eliminated on the individual schedules.

Micmacs of Gesgapegiag Band

Notes to Consolidated Financial Statements

March 31, 2019

2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the amounts recorded in the consolidated financial statements, notes to consolidated financial statements and consolidated schedules. These estimates are based on management's best knowledge of current events and actions that the Organization may undertake in the future. Actual results may differ from these estimates.

Revenue recognition

Government transfers

Government transfers are recognized as revenue when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions

Externally restricted contributions are presented as a liability under Deferred revenue and recognized as revenue in the period in which they are used for the purposes specified. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Other

The Organization recognizes its revenues when persuasive evidence of an arrangement exists, delivery has occurred, that is, the customer has taken possession of the items, the price to the buyer is fixed or determinable and collection is reasonably assured.

Rental income

The Organization records base rents on a straight-line basis over the lease terms. The excess of rents recognized over amounts contractually due pursuant to the underlying leases is included in rent receivable on the statement of consolidated financial position.

Financial assets and liabilities

Initial measurement

The Organization recognizes a financial asset or a financial liability on the consolidated statement of financial position when, and only when, it becomes a party to the contractual provisions of the financial instrument. Unless otherwise stated, financial assets and liabilities are initially measured at cost.

Subsequent measurement

At each reporting date, the Organization measures its financial assets and liabilities at amortized cost (including any impairment in the case of financial assets).

2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Organization determines whether there is any objective evidence of impairment of the financial assets, for both financial assets subsequently measured at amortized cost and financial assets subsequently measured at fair value. Any financial asset impairment is recognized in the consolidated statement of operations and, in the case of a financial asset classified to the fair value category, the reversal of any net remeasurements is presented in the statement of remeasurement gains and losses when an impairment is recognized.

Cash and cash equivalents

The Organization's policy is to present in cash and cash equivalents bank balances, including bank overdrafts whose balances fluctuate frequently from being positive to overdrawn, and investments with a maximum maturity of three months from the acquisition date or redeemable at any time without penalty.

Inventory valuation

Gas inventory is valued at the lower of cost and net realizable value. Cost is determined by the first in, first out method.

Non-financial assets

By nature, the Organization's non-financial assets are normally used to provide future services.

Tangible capital assets

Tangible capital assets acquired are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

For the housing units - Article 95, tangible capital assets are accounted at the cost of acquisition less any subsidies received for the tangible capital assets. C.M.H.C. permits amortization for buildings purchased using loans that it has insured, at a rate equal to the annual reduction of the principal on the loans. No amortization is allocated to other capital elements, but a replacement reserve is maintained for future replacement of tangible capital assets.

The replacement reserve account is funded through an annual allocation, as opposed to allocation of surplus.

Amortization

Tangible capital assets are amortized on a straight-line basis over their estimated useful lives according to the following periods:

Micmacs of Gesgapegiag Band

Notes to Consolidated Financial Statements

March 31, 2019

2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

	<u>Periods</u>
Buildings	20 years
Sanitation system	20 years
Automotive equipment	5 years
Material and equipment	5 years
Roads	20 years
Boat	20 years

The gravel pit is amortized according to the method of resource depletion.

Contributions related to tangible capital assets are deferred and gradually amortized to earnings on the same basis as the related tangible capital assets.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

Write-down

When conditions indicate that a tangible capital asset no longer contributes to the Organization's ability to provide goods and services, or that the value of future economic benefits associated with the tangible capital asset is less than its net carrying amount, the cost of the tangible capital asset is reduced to reflect the decline in value. Any write-down of tangible capital assets is accounted for as expenses in the statement of consolidated operations and any write-downs are not subsequently reversed.

Trust funds

The Organization's Trust funds are included in these consolidated financial statements only to the extent they have been received from the Organization's revenue trust fund. The amounts on deposit with the Government of Canada are audited by the Auditor General of Canada.

Adjustment to prior years

Adjustments affecting prior years, usually resulting from the Regional Audit Review Committee are recorded in the consolidated statement of operations under Correction of receivable, deferred revenues and unexpended funding of prior years. Adjustments affecting prior years, resulting from C.M.H.C., are recorded in the consolidated accumulated deficit statement.

2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Liability for contaminated sites

The liability for contaminated sites under the Organization's responsibility, or that could likely be under its responsibility, is recognized as a liability for remediation of contaminated sites once the contamination occurs or the Organization is informed about it, it is expected that future economic benefits will be given up and a reasonable estimate of the amount can be made. The liability includes the estimated costs of the management and rehabilitation of contaminated sites and any costs relating to post-remediation maintenance and monitoring. These costs are evaluated based on the best available information and are revised annually.

10 - REPLACEMENT RESERVE FUND

(a) Pre-1997 Program

Under the agreement with Canada Mortgage and Housing Corporation (C.M.H.C.), an amount must be credited to the replacement reserve. These funds and the accrued interest must be placed in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or in any other way approved by C.M.H.C. from time to time. Any use of the funds from the account must be approved by C.M.H.C.

(b) Post-1996 Program

Under the agreement with Canada Mortgage and Housing Corporation (C.M.H.C.), an amount set forth in Appendix B of the operating agreement must be credited to the replacement reserve. The annual amount may be increased by the First Nation. These funds and the accrued interest must be placed in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or in any other way approved by C.M.H.C. from time to time.

At the year end, the replacement reserve included the following elements:

	<u>2019</u>	<u>2018</u>
	\$	\$
Reserve fund		
Balance, beginning of year	293,309	269,440
Adjustment requested by C.M.H.C. (Note 16)	<u>(16,601)</u>	<u>(19,231)</u>
Adjusted balance, beginning of year	276,708	250,209
Annual contribution - replacement reserve	<u>40,850</u>	<u>43,100</u>
Balance, end of year	<u><u>317,558</u></u>	<u><u>293,309</u></u>

No amount was transferred to the replacement reserve fund in 2019.

As at March 31, 2019, the Organization does not respect the obligation to hold these funds in a separate bank account.

11 - OPERATING RESERVE (Post-1996 Program)

Once all costs and expenses are paid, particularly the allocation to the replacement reserve, the First Nation keeps all excess income in an operating reserve. The First Nation agrees to keep the funds and accrued interest in the operating fund in a separate bank account or to invest it only in accounts or instruments insured by the Canada Deposit Insurance Corporation, or as agreed by common consent by the First Nation and Canada Mortgage and Housing Corporation. The housing project's operating reserve is to be used only for the operating expenses of housing projects that made undertakings as part of the 1997 On-reserve Housing Program. The reserve may be used to cover deficits from previous years. Withdrawals are first applied to interest, then to the principal. At the end of the fiscal year, the operating reserve included the following elements:

13 - BANK LOANS

The bank loan, for an authorized amount of \$1,000,000, bears interest at prime rate plus 2.5% (6.45%; 5.95% as at March 31, 2018) and is renegotiable annually.

The bank loan is secured by the accounts receivable and a mortgage on amounts receivable from Health Canada.

14 - SUBSIDY FROM THE CANADA MORTGAGE AND HOUSING CORPORATION

The Organization receives a subsidy under a program administered by the Canada Mortgage and Housing Corporation (C.M.H.C.) under the terms of section 95 of the National Housing Act. This subsidy is tied to compliance with the conditions set forth in the agreement signed by the Organization and C.M.H.C.

16 - ADJUSTMENT TO PRIOR YEARS

After the review of the financial statements for the year ended March 31, 2018 by the Organization, the following adjustments were required:

	<u>2019</u>	<u>2018</u>
	\$	\$
Micmacs Housing Corporation		
Adjustment to operating reserve	22,529	23,974
Adjustment to replacement reserve	(16,601)	(19,231)
	<u>5,928</u>	<u>4,743</u>

17 - CONTINGENCY

As at March 31, 2019, the Organization is contingently liable as endorser in long-term debts for members of the community for the amount of \$1,212,143 (\$1,227,702 in 2018).

18 - LIABILITY FOR REMEDIATION OF CONTAMINATED SITES

The Organization will have to assume the costs of remediation of contaminated sites for which it is or could likely be responsible, for which no liability has been recognized in the consolidated financial statements because, at the consolidated financial statements date, it was not possible to make a reasonable estimate of the amounts in question.

Micmacs of Gesgapegiag Band

Notes to Consolidated Financial Statements

March 31, 2019

19 - RELATED PARTY TRANSACTIONS

During the year, the Organization has entered into contracted services with elected officials for the purchase of wholesale lobster for an amount of \$471,229 (\$384,999 in 2018). These transactions were measured at the exchange amount.

20 - ECONOMIC DEPENDENCE

The Organization receives 29% (26% in 2018) of its revenues from Indigenous Services Canada (ISC).

21 - FINANCIAL INSTRUMENTS

Financial risk management objectives and policies

The Organization is exposed to various financial risks resulting from its operating, investing and financing activities. The Organization's management manages financial risks.

During the year, there were no changes to the financial instrument risk management policies, procedures and practices. The means used by the Organization to manage each of the financial risks are described in the following paragraphs.

Financial risks

The Organization's main financial risk exposure and its financial risk management policies are as follows.

Credit risk

The Organization is exposed to credit risk regarding the financial assets recognized in the consolidated statement of financial position. The Organization has determined that the financial assets with more credit risk exposure are government transfers receivable, accounts receivable, rents receivable and advances since failure of any of these parties to fulfil their obligations could result in significant financial losses for the Organization.

Government transfers receivable, accounts receivable, rents receivable and advances balance are managed and analysed on an ongoing basis and, accordingly, the Organization's exposure to doubtful accounts is not significant.

The carrying amount on the consolidated statement of financial position of the Organization's financial assets exposed to credit risk represents the maximum amount exposed to credit risk. The following table summarizes the Organization's credit risk exposure:

Micmacs of Gesgapegiag Band Notes to Consolidated Financial Statements

March 31, 2019

21 - FINANCIAL INSTRUMENTS (Continued)

	<u>2019</u>	<u>2018</u>
	\$	\$
Cash	3,665,805	2,449,893
Term deposits	946,787	14,269
Accounts receivable	1,155,115	1,074,126
Rents receivable	2,195,960	2,159,238
Advances	77,580	500,654
Advances to joint arrangement		160,000
Government transfers receivable	<u>2,556,368</u>	<u>1,625,298</u>
	<u>10,597,615</u>	<u>7,983,478</u>

The Organization's management considers that all the above financial assets that are not impaired or past due are of good credit quality at the date of the consolidated financial statements.

None of the Organization's financial assets is secured by a collateral instrument or other form of credit enhancement.

The carrying amount of impaired accounts receivable totals \$2,910,532 as at March 31, 2019 (\$2,487,161 as at March 31, 2018).

Market risk

The Organization's financial instruments expose it to market risk, in particular to interest rate risk:

– Interest rate risk:

The Organization is exposed to interest rate risk with respect to financial assets and liabilities bearing fixed and variable interest rates.

Term deposits and some long-term debts bear interest at a fixed rate and the Organization is, therefore, exposed to the risk of changes in fair value resulting from interest rate fluctuations.

Other long-term debts and the bank loan bear interest at a variable rate and the Organization is, therefore, exposed to the cash flow risks resulting from interest rate fluctuations.

The Organization does not use derivative financial instruments to reduce its interest rate risk exposure.

A reasonably possible increase or decrease in interest rates of 1% (1% as at March 31, 2018) would not have a significant impact on the the Organization's excess of revenues over expenses for the year.

Liquidity risk

The Organization's liquidity risk represents the risk that the Organization could encounter difficulty in meeting obligations associated with its financial liabilities. The Organization is, therefore, exposed to liquidity risk with respect to all of the financial liabilities recognized in the consolidated statement of financial position.

Micmacs of Gesgapegiag Band
Notes to Consolidated Financial Statements
 March 31, 2019

21 - FINANCIAL INSTRUMENTS (Continued)

Liquidity risk management serves to maintain a sufficient amount of cash and cash equivalents and to ensure that the Organization has financing sources for a sufficient authorized amount. The Organization establishes budget and cash estimates to ensure it has the necessary funds to fulfil its obligations.

As at March 31, 2019, the Organization's contractual maturities for financial liabilities (including any interest payments) are as follows:

	Less than 6 months	6 months to 1 year	1 to 5 years	More than 5 years
	\$	\$	\$	\$
Accounts payables and accrued liabilities	2,657,679			
Long-term debt	1,753,005	791,205	3,795,735	355,135
	<u>4,410,684</u>	<u>791,205</u>	<u>3,795,735</u>	<u>355,135</u>

22 - COMMITMENTS

The Organization has entered into long-term lease agreements expiring from January to October 2021 which call for minimum lease payments of \$86,964 for the rental of equipments.

Minimum lease payments for the next three years are \$39,492 in 2020, \$31,022 in 2021 and \$16,450 in 2022.

23 - TRUST FUNDS HELD BY ISC

	March 31, 2018	Addition 2019	Withdrawals 2019	March 31, 2019
	\$	\$	\$	\$
Revenue	42,613	1,006		43,619
Capital	647			647
	<u>43,260</u>	<u>1,006</u>		<u>44,266</u>

The trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Section 63 to 69 of the Indian Act.

24 - COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform with the presentation adopted in the current year.

25 - BUDGETED FIGURES

Unaudited budgeted figures have been provided for comparison purposes and have been derived from the estimates approved by the board of directors.

Micmacs of Gesgapegiag Band
Notes to Consolidated Financial Statements
Year ended March 31, 2019

26 - SEGMENT DISCLOSURES

The Organization provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by department. For each segment separately reported, the segment revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of Significant Accounting Policies as described in Note 2. The segment results for the period are as follows :
